HAPPY HOLIDAYS

Let's share some tips to make this period a fruitful and fun time for them.

- **Have atleast two meals together with your child Teach them the importance and hardwork of the farmers and ask them not to waste their food**
- **Let them wash their own plates after every meal. Children learn dignity of labour from such activities**
- **Learn 5 new words in English and list them in a notebook**
- **Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them**
- **Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up**
- **Share stories about your childhood and your family history**
