HAPPY HOLIDAYS

Let's share some tips to make this period a fruitful and fun time for them.

- Have at least two meals together with your child. Teach them the importance and hardwork of the farmers and ask them not to waste their food
- Let them wash their own plates after every meal. Children learn dignity of labour from such activities
- Learn 5 new words in English and list them in a notebook
- Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them
- Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up
- Share stories about your childhood and your family history
- Fill water in earthen pots for birds on the terrace of your house
- Learn one English poem of 1-1:30 min on any topic for English Recitation (20th July, 2024)
