Dear Parent,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends, and relatives. To utilize this time in the most constructive way, we have prepared Holiday Homework for the students on the principle of 'learning by doing' for their holistic development.

We encourage you to participate in these assignments with your child, making it a fun and collaborative experience.

Thank you for your continued, unconditional support and involvement in your child's education.

Have a wonderful and productive summer break!

Warm regards,

HAPPY HOLIDAYS

Let's share some tips to make this period a fruitful and fun time for them.

- **Have atleast two meals together with your child Teach them the importance and hardwork of the farmers and ask them not to waste their food**
- **Let them wash their own plates after every meal. Children learn dignity of labour from such activities**
- **Learn 5 new words in English and list them in a notebook**
- **Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them**
- **Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up**
- **Share stories about your childhood and your family history**
- **Fill water in earthen pots for birds on the terrace of your house**
